

Track 2: Feed My Sheep

Community Service · Leadership · Stewardship · Discipleship

Scripture: John 21:17, 1 Peter 4:10

This track centers on servant leadership, community outreach, and discipleship. Students practice empathy, teamwork, and humility as they learn that greatness is found in serving others.

Sample Experiences:

- **Elder Wisdom Project:** Interview nursing home residents and write biographies of their life stories., Connect residents' personal stories to broader historical events (e.g., WWII, 9/11, Civil Rights era, local history). Students compose narrative biographies or turn stories into memoir-style writings. Discuss honoring elders (Exodus 20:12, Proverbs 16:31). Write reflections on wisdom passed down.
- **Local Ministry & Outreach:** Volunteer in resource centers, gaining civic and social skills. Track donations, supplies, or meal counts, and create charts to show their impact. Study passages on service (Matthew 25:35-40) and journal personal applications.
- **Donating** what we grow in our gardens to food pantries. Predication of cost versus yield. Nutrients that the community needs, economics.
- **Planning community presentations** to teach others about growing their own food, and public speaking.
- **Planting our own flowers and creating bouquets for others.** -Grow flowers and arrange them into gifts for hospitals, churches, or neighbors. Learn about plant biology, pollination, and floral design. Practice symmetry and proportion in bouquet arrangements. Connect to beauty in creation and service through small acts of kindness (Song of Solomon 2:12, Philippians 2:4). Write short encouragement notes or scripture-based cards to accompany bouquets.
